Description:

Are you tired of driving around and wasting your time looking for parking? Here you have the solution and with minimal maintenance costs, €15 approx. of community per month. The square is located at street level and without a ramp, so it has very easy access from Florista Street and you only share a garage with 3 other vehicles. If forklifts bother you, if you don't feel safe with those endless ramps to get your vehicle in or out, you'll love this square. Very close to Benicalap Park, an area where parking is becoming increasingly difficult and where it is appreciated to have a parking space. It is a comfortable and spacious square. Come and try it, it will surely convince you. Its great location and value for money make it one of the best shopping options in the area.
